

Cottey Nugget # 5
Alabama Chapters' Support for the Southeastern Suite

Alabama Chapter Board President Cindy Fry has sent a request to all our Alabama Chapters regarding the Southeastern Suite at Cottey College. Alabama and eight other state chapters are responsible for financial contributions for updates in this suite. Cottey hopes to replace the floors in the Southeastern Suite in the summer of 2024. Each state's contributions must be collected and received by Cottey as soon as we can get our portion together.

President Cindy asked each chapter to budget \$50 for this campaign earlier in the year. It is now time to begin that collection so the new floors project can be scheduled.

Please ask your President to make sure your chapter Treasurer transmits the payment of \$50 to Alabama Chapter Treasurer Paige McCormick, noting special designation of \$50 for Cottey floors. The Alabama Cottey Committee is asking all Alabama chapters to do this as soon as possible. Paige will write one check from the Alabama Chapter to the Cottey fund for this purpose on February 1, 2024.

Thank you for supporting the Southeastern Suite at Cottey!
