

2025-2026 Alabama Cottey Chapter Assignments for Care Packages and Notes of Encouragement

Our returning Alabama Cottey student, **Elena Adams**, is set to graduate in December! We are so proud of her and wish to continue showing our love and support to this outstanding student! Elena has moved into an apartment, and after December, she plans to take a gap year, remain in Nevada, and work. She has loved the treats over the past three years, but as an alternative, a Walmart or Visa gift card is requested. These cards should not exceed \$25. Remember, notes of encouragement are also appreciated.

We have some exciting news! There is a stateless student as a freshman at Cottey who has connections to Alabama: Charlotte Sedlacek. Her mother Sarah (Cottey '01) has kept her membership with Chapter S, but because of military move, she is currently in Maryland. Charlotte's aunt is Sondra Koskey, Chapter AN (Cottey '91) and a Cottey chair. We are "adopting" her this year as our second student, but we are unable to assist with a scholarship because she does not reside in Alabama. She has been added to our chapter assignments and would also appreciate gift cards, snacks, and even 4-5 \$5 bills for spending money. Charlotte can put us in contact with other students and suite life!

Anne Mitchell, Chapter AA asked about sending cards or gifts to any Cottey girls. ABSOLUTELY! Shawn West is over Student Life at Cottey, and she keeps her finger on the pulse of the Cottey girls and will make certain a card or gift is given to a girl who needs love and encouragement. Thanks, Anne, for that question!
