

January 2026 Cottey Quacks  
Alabama Cottey College Scholarship and Recruitment Committee

Dear Alabama Cottey Chairs,

We, your Alabama State committee, are looking forward to 2026! We hope to keep you updated and encourage each chapter chair to share our "Quacks" and Cottey College website with your chapter. Please let me know by responding that you are receiving these newsletters.

Cottey "Quacks" January 2026

News on our Cottey Girls! Charlotte Sedlacek reports that she is back in the swing of a cold semester at Cottey and thanks us for all of our support! Elena Adams will remain at Cottey until May, 2026! She thanks us for all of our support and encouragement. We had not included this spring semester cards/gifts to be sent to Elena but reaching out to her would be greatly appreciated!

We have three girls accepted at Cottey College for Fall 2026! Ja'Zya McCall, Brewton; Zoe Griffin, Muscle Shoals; Sloan Williams, Madison! The state committee has reached out to these girls for assistance with Cottey and will share our scholarship information if they choose to attend. The deadline is February 15. Once again thank you for getting the word out about our unique partnership with this amazing women's college!

"Travel with Cottey" information is a trip to Munich and Prague July 25-August 1. It's a wonderful opportunity to travel alongside fellow Cottey supporters and Alumnae on this adventure. Visit [Cottey.edu/munichandprague](http://Cottey.edu/munichandprague) to learn more and register. The deadline is March 1.

REMINDER\*\*\* The annual reports from local chapter Cottey chairs for 2025-2026 are **due by March 10**. As Cottey College committee chairs transition for the 2026 - 2027 year, please remember to copy and compile all Cottey information you have received for your next chapter chair.

Thanks again for reaching out to me with questions, concerns, and any information we could provide from Cottey to our chapters! It's been an exciting year!

Lovingly,

Susan Tanner, S, Chair  
Cynthia Lumpkin, AH  
Sarah Allen, AL  
Paige McCormick, AC Advisor
